Dear Valued Customer,

It is with great excitement we advise you that from the beginning of October Sprint Freight and Logistics will be extending our network. We will be adding the **Upper Spencer Gulf** to our directly serviced areas. The towns included on this run will be **Whyalla, Port Augusta, Port Pirie and Crystal Brook**.

We are happy to be partnering with great local businesses in each of these areas. These local people know their district and can provide great service in their own area. The companies that we will partner with are:

- **Greg Irvine** of Irvines Transport, based at Port Pirie and Crystal Brook who will also cover Warnertown, Napperby, Nelshaby, Port Germein, Redhill, Gladstone and Laura.
- Anthony McMahon of DATGAW Services, based at Port Augusta who will also cover Wilmington and Quorn.
- Chris Hnarakis of Rapid Freight Solutions, will cover the Whyalla area.

We are excited to be working with these locally owned SA businesses just like ourselves, as we continue to expand the area of transport solutions we can offer to our customers. These solutions are based on our genuine desire to give great service, providing express freight for our customers.

If you would like any further information please feel free to contact our office on 08 8541 0200. Contacts and price lists for the new areas serviced are available from our website: <u>http://www.sprintfreight.com.au/</u>

Regards

James Lochert

Transport Operations Manager.
